66. Asbestos Inspection

National Objective

All three national objectives may be used with these disaster recovery funds: low and moderate income (LMI) benefit, slum and blight removal, and urgent threat to health and safety. No less than 50% of the State's allocation of disaster recovery funding must be used for activities that meet the LMI national objective. Because of this requirement, grantees should use the LMI national objective for all activities that qualify under the LMI criteria.

Citizen Participation

The plan is available for public comment for a 7 day comment period ending July 5, 2012.
