# Recommitting to All Things Missouri

What do Missourians want?

What do the data show?

## Grand Challenges for MU Extension & Engagement

Economic  
Opportunity

Healthy  
Futures

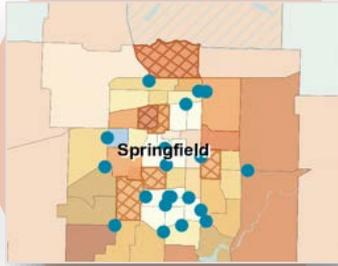

Educational  
Access and  
Excellence

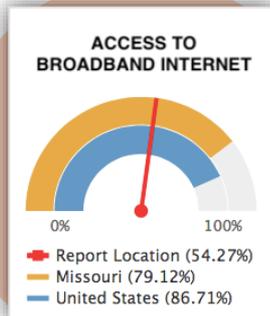

“This tool will help extension better determine community needs.”

## MAPS

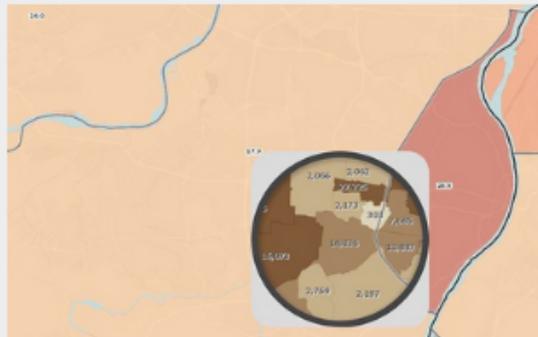

Create an interactive map in the Missouri Map Room or click a topic-based map and zoom to your area.

### Business Starter Map

Get started with map layers related to the business environment, including the labor market engagement index, locations of airports, and public libraries.

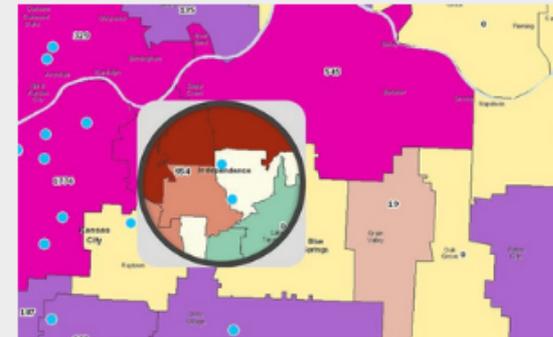

*in:* Business & Community

### Substance Abuse Starter Map

Get started map layers showing mental health and substance abuse treatment facilities, drug overdose mortality rates, and total number of prescription opioid drug claims by ZIP Code.

*in:* Health & Safety

### Youth Mental Health Starter Map

Get started with layers related to youth mental health, including homeless youth, youth mental health centers, and adverse childhood experience (ACES) scores.

*in:* Health & Safety, Youth & Family

# Custom Reporting

## REPORTS

Create an interactive report for your community. Select one of the four topic-based reports to get started.

### Agriculture & Environment Report

This report provides a selected set of indicators related to agriculture and the environment. Maps and data are available for individual counties and groups of counties.

*in: Agriculture & Environment*

### Business & Community Report

This report provides a selected set of indicators related to businesses and communities. Maps and data are available for individual counties and groups of counties.

*in: Business & Community*

### Health & Safety Report

This report provides a selected set of indicators related to health and safety. Maps and data are available for individual counties and groups of counties.

*in: Health & Safety*

### Health Behaviors

#### Opioid Drug Claims

This indicator provides information about Medicare Part D opioid drug claims. Report data includes the number of Medicare Part D claims (for both original prescriptions and refills), and the number of opioid drug claims as a percentage of total prescription drug claims.

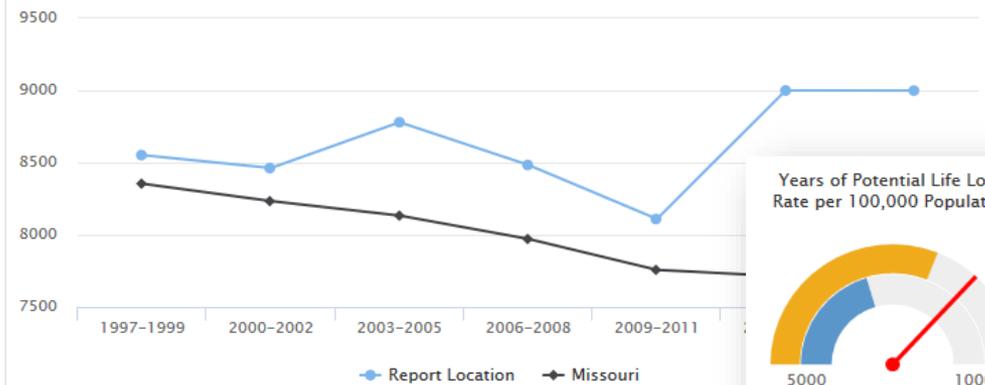

Report Area	Medicare Beneficiaries	Total Prescription Drug Claims	Opioid Drug Claims	Opioid Drug Claims, Percentage of Total Claims
Report Location	8,112	166,667	9,642	5.8%
Crawford County, MO	4,419			
Dent County, MO	3,693			
Missouri	1,108,827			
United States	52,228,663			

Note: This indicator is compared to the state and United States.
