\* These applicants will be provided with an interim scoring guide for the evaluation criteria set forth by Section 253.559.3, RSMo.  
 \*\* Applicants will be notified in writing of what additional information is required. In some cases (indicated in written letter from DED), failure to submit requested information within 90 days will result in disapproval of application. This 90 day period provides these applications with an opportunity to be considered in the first application cycle. Disapproved applications will be able to reapply in a future application cycle.
