Carrollton Public Library

Carrollton Public Library will expand bandwidth, establish up to 5 community access points, and offer up to 25 hotspots and 6 laptops for a lending program with the assistance of \$12,000.

Carter County Library

Carter County Library will increase library bandwidth capacity at two locations and offer up to 16 devices for lending with the assistance of \$15,015.

Cass County Library

Cass County Library will increase library bandwidth and increase Wi-Fi access points to up to six locations with the assistance of \$10,997.

Cedar County Library

Cedar County Library will offer up to five Wi-Fi access points, increase library bandwidth, and offer four laptops for their lending program with the assistance of \$11,356.

Centralia Public Library

Centralia Public Library will increase library bandwidth and offer up to ten hotspots and ten devices for a lending program with the assistance of \$11,993.

Christian County Library

Christian County Library will increase Wi-Fi access points to library locations and offer up to 21 hotspots for lending with the assistance of \$57,444.

Dade County Library

Dade County Library will increase library bandwidth and offer up to four devices for a lending program with the assistance of \$6,089.

Doniphan-Ripley County Library

Doniphan-Ripley County Library will increase library bandwidth and offer up to three Wi-Fi access points with the assistance of \$5,882.

Farmington Public Library

Farmington Public Library will expand two Wi-Fi access points and offer up to ten hotspots for the lending program with the assistance of \$8,119.

Gentry County Library

Gentry County Library will increase library bandwidth and offer one new Wi-Fi access point with the assistance of \$2,150.

Jefferson County Library

Jefferson County Library will enhance their existing lending program with up to 99 hotspots with the assistance of \$30,411.

Joplin Public Library

Joplin Public Library will establish a new lending program and offer up to 80 hotspots with the assistance of \$31,424.

Kansas City Public Library

Kansas City Public Library will offer up to 45 devices with hotspot capability for their established lending program with the assistance of \$78,270.

Kirkwood Public Library

Kirkwood Public Library will increase library bandwidth, offer five Wi-Fi access points and up to 14 devices for public use with the assistance of \$25,132.

Little Dixie Regional Libraries

Little Dixie Regional Libraries will increase library bandwidth and add up to 30 hotspots to their existing lending program with the assistance of \$15,944.

Lockwood Public Library

Lockwood Public Library will expand two Wi-Fi access points and offer up to three hotspots and five devices for a lending program with the assistance of \$13,421.

Mexico-Audrain County Library

Mexico-Audrain County Library will increase bandwidth at three locations to extend their Wi-Fi access points with the assistance of \$3,403.

Mid-Continent Regional Library

Mid-Continent Regional Library will enhance their existing lending program with up to 215 hotspots with the assistance of \$82,016.

Neosho-Newton County Library

Neosho-Newton County Library will offer up to 20 hotspots and 15 devices for their lending program with the assistance of \$12,200.

Polk County Library

Polk County Library will increase library bandwidth and Wi-Fi access points at two locations with the assistance of \$6,032.

Poplar Bluff Municipal Library

Poplar Bluff Municipal Library will expand library bandwidth and Wi-Fi access points at two locations with the assistance of \$8,670.

Ray County Library

Ray County Library will offer up to two hotspots and six devices for their lending program with the assistance of \$10,419.

Reynolds County Library

Reynolds County Library will increase library bandwidth at four locations with the assistance of \$1,622.

Rolla Public Library

Rolla Public Library will offer up to ten hotspots and 40 devices for their lending program with the assistance of \$25,051.

Scenic Regional Library

Scenic Regional Library will offer up to 12 hotspots for their lending program with the assistance of \$4,234.

Sikeston Public Library

Sikeston Public Library will increase library bandwidth, purchase five devices, and offer up to five Wi-Fi access points at branch locations with the assistance of \$12,685.

Springfield-Green County Library

Springfield-Green County Library will enhance their program with up to 75 hotspots and 36 devices for lending and offer five community access points in public places with the assistance of \$65,292.

St. Charles-City County Library

St. Charles-City County Library will increase library bandwidth, offer up to 11 Wi-Fi access points, and provide up to 58 devices with hotspots for their lending program with the assistance of \$120,000.

Ste. Genevieve County Library

Ste. Genevieve County Library will offer up to six community access points in public places and up to eight hotspots to enhance their existing lending program with the assistance of \$23,002.

Stone County Library

Stone County Library will increase library bandwidth and offer up to 24 devices for public use with the assistance of \$28,115.

University City Library

University City Library will increase library bandwidth and offer up to seven Wi-Fi access points with the assistance of \$28,057.

Washington Public Library

Washington Public Library will provide up to 25 hotspots for their existing lending program with the assistance of \$7,476.

Willow Springs Public Library

Willow Springs Public Library will offer up to eight hotspots and eight laptops for a new lending program with the assistance of \$11,564.
