

## DISTRIBUTION LIST FOR ENVIRONMENTAL NOTICES

In general, environmental notices should be sent to all interested parties, including, local news media, individuals and groups interested in your activities, including historical societies and groups, and state and federal agencies, as deemed appropriate by the nature of the project.

**Following is a list of state and federal agencies most appropriate to receive environmental notification. This list is not all inclusive. Other agencies should be contacted as necessary for the project.**

- Floodplain/Wetland- if applicable, distribute the EPN and NOE to all relevant agencies and Tribes
- CEST/NOI- distribute the notice to agencies and Tribes *only* if located in a floodplain/wetland
- EA/Combined Notice- distribute the notice to all appropriate agencies , depending on project complexity, controversy, impacts, etc., and Tribes

<p>The contact information below can be used in conjunction with the worksheets to determine what agencies should be contacted for comment on the project prior to the submission of the ERR to CDBG.</p>
